

Invasive Plant Species List for Benton County

Common Name	Scientific Name	Plant Type	ODA listing	Benton County CWMA Status	habitat	CWMA EDRR Strategy Actions	E&O target audience
Flowering rush	<i>Butomus umbellatus</i>	aquatic	A	A	water bodies	E&O, volunteer response/Contractor response	nursery trade, gardeners, public land managers, recreationists realtors
Hydrilla	<i>Hydrilla verticillata</i>	aquatic	A	A	water bodies	ODA response	nursery trade, gardeners, public land managers, recreationists realtors
Yellow Floating Heart	<i>Nymphoides peltata</i>	aquatic	A	A	water bodies	volunteer response/ODA response	nursery trade, gardeners, public land managers, recreationists realtors
European waterchestnut	<i>Trapa natans</i>	aquatic	A	A	water bodies	E&O, ODA response	nursery trade, gardeners, public land managers, recreationists realtors
Common Reed	<i>Phragmites australis ssp. australis</i>	grass	A	A	riparian areas	contractor response/ODA response	public land managers, nursery trade
Biddy-biddy	<i>Acaena novae-zelandiae</i>	herb	B	A	disturbed lands	E&O	gardeners, community groups
Garlic Mustard	<i>Alliaria petiolata</i>	herb	B	A	forests, rights-of-way, gardens	ODA response	gardeners, forestry, recreationists, botanists, public land managers
Thistle, Woolly Distaff	<i>Carthamus lanatus</i>	herb	A	A	commercial ag lands, disturbed lands, meadows, rights-of-way	ODA response	agriculture, public land managers, recreationists, botanists
Starthistle, purple	<i>Centaurea calcitrapa</i>	herb	A	A	commercial ag lands, meadows	ODA response	agriculture

Invasive Plant Species List for Benton County

Common Name	Scientific Name	Plant Type	ODA listing	Benton County CWMA Status	habitat	CWMA EDRR Strategy Actions	E&O target audience
Starthistle, Iberian	<i>Centaurea iberica</i>	herb	A	A	meadows, rights-of-way	ODA response	agriculture
Starthistle, yellow	<i>Centaurea solstitialis</i>	herb	A	A	meadows, uplands, gravel bars, commercial ag lands	volunteer response/ODA response	recreationists, public land managers, agriculture
Cutleaf Teasel	<i>Dipsacus laciniatus</i>	herb	B	A	rights-of-way, meadows, disturbed lands, commercial ag,	containment and removal from priority areas only	recreationists, agriculture, rural residential
Paterson's curse	<i>Echium plantagineum</i>	herb	A	A	meadows	ODA response	agriculture
Leafy Spurge	<i>Euphorbia esula</i>	herb	B	A	meadows	ODA response	public land managers, recreationists
Oblong or eggleaf spurge	<i>Euphorbia oblongata</i>	herb	A	A	forests, gardens	E&O	forestry, public land managers
Goats Rue	<i>Galega officinalis</i>	herb		A	commercial ag lands, waterways, meadows, rights-of-way, & wetlands.	report sightings and management to oregoninvasiveshotline	agriculture, public land managers
Hawkweed, orange	<i>Hieracium aurantiacum</i>	herb	A	A	forests, meadows, rights-of-way	volunteer response/ODA response	gardeners, public land managers, urban residents, rural residential

Invasive Plant Species List for Benton County

Common Name	Scientific Name	Plant Type	ODA listing	Benton County CWMA Status	habitat	CWMA EDRR Strategy Actions	E&O target audience
Hawkweed, mouse ear	<i>Hieracium pilosella</i>	herb	A	A	forests, meadows, rights-of-way	volunteer response/ODA response	public land managers, gardeners, rural residential, urban residents, forestry
Hawkweed, king devil	<i>Hieracium piloselloides</i>	herb	A	A	forests, meadows, rights-of-way	volunteer response/ODA response	public land managers, gardeners, urban residents, rural residential, nursery trade
Hawkweed, meadow	<i>Hieracium pratense</i>	herb	A	A	forests, meadows, rights-of-way	volunteer response/ODA response	public land managers, gardeners, urban residents, rural residential
Dyer's woad	<i>Isatis tinctoria</i>	herb	B	A	rights-of-way, gravel bars, gardens	volunteer response	public land managers, botanists, gardeners
Thistle, Scotch	<i>Onopordum acanthium</i>	herb	B	A	commercial ag lands, disturbed lands, meadows, rights-of-way	volunteer response/ODA response	public land managers, agriculture, recreationists, rural residential, community groups, botanists
Pokeweed	<i>Phytolacca americana</i>	herb	watch list	A	forests, meadows, disturbed lands, rights-of-way, commercial ag lands, gardens	report sightings and management to oregoninvasiveshotline	botanists, nursery trade, urban residents, rural residential
Coltsfoot	<i>Tussilago farfara</i>	herb	A	A	gardens, riparian areas	E&O	agriculture, gardeners
Giant Hogweed	<i>Heracleum mantegazzianum</i>	herb	A	A	disturbed lands, riparian areas, gardens	volunteer response/ODA response	gardeners, urban residents, rural residential, recreationists

Invasive Plant Species List for Benton County

Common Name	Scientific Name	Plant Type	ODA listing	Benton County CWMA Status	habitat	CWMA EDRR Strategy Actions	E&O target audience
Nutsedge, purple	<i>Cyperus rotundus</i>	sedge	A	A	commercial ag lands	E&O	public land managers, botanists, agriculture
Indigo bush	<i>Amorpha fruticosa</i>	shrub		A	riparian areas, wetlands	E&O, local response, report sightings and management to oregoninvasiveshotline	public land managers
Portuguese broom	<i>Cytisus striatus</i>	shrub	B	A	rights-of-way, disturbed lands, riparian, gravel bars	volunteer response/Contractor response/ODA grants	public land managers, forestry, recreationists
Spanish heath	<i>Erica lusitanica</i>	shrub	B	A	disturbed lands, rights-of-way, forests, gardens	volunteer response	public land managers, forestry, recreationists
French broom	<i>Genista monspessulana</i>	shrub	B	A	rights-of-way, disturbed lands, riparian, gravel bars	volunteer response, contractor response, ODA grants	public land managers, forestry, recreationists
Broom, Spanish	<i>Spartium junceum</i>	shrub	B	A	rights-of-way, disturbed lands, riparian, gravel bars	volunteer response, ODA grants	public land managers, forestry, recreationists

Invasive Plant Species List for Benton County

Common Name	Scientific Name	Plant Type	ODA listing	Benton County CWMA Status	habitat	CWMA EDRR Strategy Actions	E&O target audience
Gorse	<i>Ulex europaeus</i>	shrub	B	A	disturbed lands, rights-of-way, meadows	volunteer response, contractor response, ODA response	public land managers, forestry, recreationists
mile-a-minute	<i>Persicaria perfoliata</i>	vine	watch list	A	commercial ag lands, meadows, forests, gardens	E&O	forestry, public land managers, gardeners
Kudzu	<i>Pueraria lobata</i>	vine	A	A	forests	ODA response	botanists, community groups
Yellow flag iris	<i>Iris pseudacorus</i>	aquatic	B	B	water bodies, coastal areas	volunteer response	nursery trade, gardeners, public land managers, recreationists realtors
Large-flowered primrose willow	<i>Ludwigia grandiflora</i>	aquatic	B	B	water bodies	report sightings and management to oregoninvasiveshotline	nursery trade, gardeners, public land managers, recreationists realtors
Water primrose	<i>Ludwigia hexapetala</i>	aquatic	B	B	water bodies	E&O, report sightings and management to oregoninvasiveshotline	nursery trade, gardeners, public land managers, recreationists realtors
Floating primrose-willow	<i>Ludwigia peploides</i>	aquatic	B	B	water bodies	E&O, report sightings and management to oregoninvasiveshotline	nursery trade, gardeners, public land managers, recreationists realtors
Parrot feather	<i>Myriophyllum aquaticum</i>	aquatic	B	B	water bodies	E&O, containment and removal from priority areas only	nursery trade, gardeners, public land managers, recreationists realtors
Eurasian watermilfoil	<i>Myriophyllum spicatum</i>	aquatic	B	B	water bodies	E&O, containment and removal from priority areas only	nursery trade, gardeners, public land managers, recreationists realtors

Invasive Plant Species List for Benton County

Common Name	Scientific Name	Plant Type	ODA listing	Benton County CWMA Status	habitat	CWMA EDRR Strategy Actions	E&O target audience
Barbed goat grass	<i>Aegilops triuncialis</i>	grass	A	B	commercial ag lands	E&O	agriculture
Giant reed	<i>Arundo donax</i>	grass	watch list	B	riparian areas	E&O, report sightings and management to oregoninvasiveshotline	natural resource managers, botanists and river recreationists, community groups
Pampas or Jubata Grass	<i>Cortaderia spp.</i>	grass	Jubata - B Pampas - not listed	B	riparian areas, uplands	report sightings and management to oregoninvasiveshotline	public land managers, forestry, gardeners
Thistle, Italian	<i>Carduus pycnocephalus</i>	herb	B	B	commercial ag lands, disturbed lands, meadows, rights-of-way	biocontrol, report sightings and management to oregoninvasiveshotline	botanists, public land managers, agriculture, recreationists, rural residential, community groups, educators/students
Knapweed, spotted	<i>Centaurea stoebe</i>	herb	B	B	rights-of-way, gravel bars, meadows	volunteer response, contractor response	public land managers, recreationists
Spotted Jewelweed	<i>Impatiens capensis</i>	herb		B	riparian, gardens	report sightings and management to oregoninvasiveshotline	gardeners, recreationists
Policeman's Helmet	<i>Impatiens glandulifera</i>	herb	B	B	gardens, riparian areas	E&O	gardeners, recreationists, public land managers

Invasive Plant Species List for Benton County

Common Name	Scientific Name	Plant Type	ODA listing	Benton County CWMA Status	habitat	CWMA EDRR Strategy Actions	E&O target audience
yellow archangel	<i>Lamiastrum galeobdolon</i>	herb	watch list	B	gardens, riparian areas, forests, disturbed lands	E&O, volunteer response	recreationists, gardeners, forestry, nursery trade, community groups
Dalmatian toadflax	<i>Linaria dalmatica ssp. dalmatica</i>	herb	B	B	rights-of-way, meadows, disturbed lands, commercial ag,	volunteer response, biocontrol	public land managers, agriculture
Purple Loosestrife	<i>Lythrum salicaria</i>	herb	B	B	riparian areas	volunteer response, contractor response	gardeners, recreationists, purple loosestrife
Evergreen bugloss	<i>Pentaglottis sempervirens</i>	herb		B	most forests, riparian forests	E&O	agriculture, public land managers, gardeners
knotweeds	<i>Polygonum cuspidatum, Polygonum x. bohemicum, Polygonum sachalinense, Polygonum polystachyum</i>	herb	B	B	riparian areas	volunteer response, contractor response	gardeners, recreationists, nursery trade, educators/students
Sulfur cinquefoil	<i>Potentilla recta</i>	herb	B	B	gardens, commercial ag lands, meadows	report sightings and management to oregoninvasiveshotline	gardeners, agriculture
Lesser Celandine	<i>Ranunculus ficaria</i>	herb	B	B	gardens	E&O	gardeners, urban residents, rural residential
Brazilian Verbena	<i>Verbena bonariensis</i>	herb		B	meadows, riparian areas, disturbed lands, wetlands, gardens	report sightings and management to oregoninvasiveshotline	public land managers, recreationists, gardeners

Invasive Plant Species List for Benton County

Common Name	Scientific Name	Plant Type	ODA listing	Benton County CWMA Status	habitat	CWMA EDRR Strategy Actions	E&O target audience
Spurge Laurel	<i>Daphne laureola</i>	shrub	B	B	forests	E&O, containment and removal from priority areas only	realtors, public land managers, forestry, gardeners, recreationists
Old Man's Beard	<i>Clematis vitalba</i>	vine	B	B	forests, riparian areas, gardens, disturbed lands	report sightings and management to oregoninvasiveshotline	realtors, public land managers, forestry, gardeners, nursery trade, educators/students, community groups
Brazilian Elodea	<i>Egeria densa</i>	aquatic	not listed	C	water bodies	E&O, containment and removal from priority areas only	nursery trade, gardeners, public land managers, recreationists, realtors
Tall oat grass	<i>Arrhenatherum elatius</i>	grass		C	commercial ag lands, disturbed lands, rights of way, livestock feeding areas, meadows, uplands	E&O	rural residential, agriculture, public land managers
False brome	<i>Brachypodium sylvaticum</i>	grass	B	C	rights-of-way, forests	containment and removal from priority areas only	forestry, public land managers, recreationists, rural residential, urban residents, educators/students,

Common Name	Scientific Name	Plant Type	ODA listing	Benton County CWMA Status	habitat	CWMA EDRR Strategy Actions	E&O target audience
Ripgut	<i>Bromus diandrus</i>	grass	?	C	commercial ag lands, disturbed lands, rights of way, livestock feeding areas, meadows, uplands	E&O	rural residential, agriculture, public land managers
Soft chess	<i>Bromus hordeaceus</i>	grass		C	commercial ag lands, disturbed lands, rights of way, livestock feeding areas, meadows, uplands	E&O	rural residential, agriculture, public land managers
Cheatgrass	<i>Bromus tectorum</i>	grass	?	C	commercial ag lands, disturbed lands, rights of way, livestock feeding areas, meadows, uplands	E&O	rural residential, agriculture, public land managers
Quackgrass	<i>Elymus repens</i>	grass		C	commercial ag lands, disturbed lands, rights of way, livestock feeding areas, meadows, uplands	E&O	rural residential, agriculture, public land managers
Velvet grass	<i>Holcus lanatus</i>	grass		C	commercial ag lands, disturbed lands, rights of way, livestock feeding areas, meadows, uplands	E&O	rural residential, agriculture, public land managers
Creeping velvetgrass	<i>Holcus mollis</i>	grass		C	commercial ag lands, disturbed lands, rights of way, livestock feeding areas, meadows, uplands	E&O	rural residential, agriculture, public land managers

Invasive Plant Species List for Benton County

Common Name	Scientific Name	Plant Type	ODA listing	Benton County CWMA Status	habitat	CWMA EDRR Strategy Actions	E&O target audience
Mediterranean barley	<i>Hordeum hystrix</i>	grass		C	commercial ag lands, disturbed lands, rights of way, livestock feeding areas, meadows, uplands	E&O	rural residential, agriculture, public land managers
Hare barley	<i>Hordeum murinum</i>	grass		C	commercial ag lands, disturbed lands, rights of way, livestock feeding areas, meadows, uplands	E&O	rural residential, agriculture, public land managers
Reed Canarygrass	<i>Phalaris arundinacea</i>	grass	not listed	C	riparian areas	containment and removal from priority areas only	educators/student groups, agriculture
Medusahead rye	<i>Taeniatherum caput-medusae</i>	grass	B	C	commercial ag lands, disturbed lands, rights of way, livestock feeding areas, meadows, uplands	containment and removal from priority areas only, E&O	rural residential, agriculture, public land managers
Rattail fescue	<i>Vulpia myuros</i>	grass		C	commercial ag lands, disturbed lands, rights of way, livestock feeding areas, meadows, uplands	E&O	rural residential, agriculture, public land managers

Invasive Plant Species List for Benton County

Common Name	Scientific Name	Plant Type	ODA listing	Benton County CWMA Status	habitat	CWMA EDRR Strategy Actions	E&O target audience
Velvet leaf	<i>Abutilon theophrasti</i>	herb		C	commercial ag lands, livestock feeding areas, rights-of-way, meadows	E&O, containment and removal from priority areas only	agriculture, rural residential
Dog fennel or mayweed chamomile	<i>Anthemis punctata ssp cupaniana</i>	herb		C	commercial ag lands, livestock feeding areas, rights-of-way, meadows	E&O, containment and removal from priority areas only	agriculture, rural residential
Knapweed, meadow	<i>Centaurea pratensis</i>	herb	B	C	disturbed lands, rights-of-way, meadows	containment and removal from priority areas only	public land managers, agriculture, recreationists, rural residential, community groups
Thistle, Canada	<i>Cirsium arvense</i>	herb	B	C	commercial ag lands, disturbed lands, meadows, rights-of-way	containment and removal from priority areas only	agriculture, forestry, gardeners, urban residents, educators/ students
Thistle, bull	<i>Cirsium vulgare</i>	herb	B	C	commercial ag lands, disturbed lands, meadows, rights-of-way	containment and removal from priority areas only	agriculture, forestry, gardeners, urban residents, educators/ students
Poison Hemlock	<i>Conium maculatum</i>	herb	B	C	riparian areas, rights-of-way	containment and removal from priority areas only	public land managers, botanists, urban residents, recreationists

Invasive Plant Species List for Benton County

Common Name	Scientific Name	Plant Type	ODA listing	Benton County CWMA Status	habitat	CWMA EDRR Strategy Actions	E&O target audience
Dodder	<i>Cuscuta spp.</i>	herb		C	commercial ag land, gardens	E&O, containment and removal from priority areas only	agriculture, rural residential
Wild carrot	<i>Daucus carota</i>	herb		C	commercial ag lands, livestock feeding areas, rights-of-way, meadows	E&O, containment and removal from priority areas only	agriculture, rural residential
St Johns wort	<i>Hypericum perforatum</i>	herb	B	C	commercial ag lands, disturbed lands, meadows, rights-of-way, uplands	containment and removal from priority areas only	agriculture, educators/students
Sharp-leaved Fluvellin, sharp-point toadflax, sharp leaf cancerwort	<i>Kickxia elatine</i>	herb		C	wetland, commercial ag lands, livestock feeding areas	E&O, containment and removal from priority areas only	agriculture, rural residential
Prickly lettuce	<i>Lactuca serriola</i>	herb		C	commercial ag lands, livestock feeding areas, rights-of-way, meadows	E&O, containment and removal from priority areas only	agriculture, rural residential
oxeye daisy	<i>Leucanthemum vulgare</i>	herb	not listed	C	meadows	containment and removal from priority areas only	agriculture, rural residential
Buttercup	<i>Ranunculus spp.</i>	herb		C	commercial ag lands, disturbed lands, rights of way, livestock feeding areas, meadows, uplands, gardens	E & O, containment and removal from priority areas	agriculture, rural residential, urban residents, gardeners

Invasive Plant Species List for Benton County

Common Name	Scientific Name	Plant Type	ODA listing	Benton County CWMA Status	habitat	CWMA EDRR Strategy Actions	E&O target audience
Tansy ragwort	<i>Senecio jacobaea</i>	herb	B	C	commercial ag lands, rights-of-way, disturbed lands, meadows	containment and removal from priority areas only	agriculture, recreationists, rural residential
Nutsedge, yellow	<i>Cyperus esculentus</i>	sedge		C	commercial ag lands, riparian areas, gravel bars	E&O	agriculture, public land managers
Scotch Broom	<i>Cytisus scoparius</i>	shrub	B	C	rights-of-way, disturbed lands, riparian, gravel bars	containment and removal from priority areas only	public land managers, forestry, recreationists
Blackberry	<i>Rubus bifrons</i>	shrub	B	C	commercial ag lands, disturbed lands, forests, gardens, gravel bars, meadows, riparian areas, rights-of-way, uplands, wetlands	E&O, containment & removal from priority areas only	educators/student groups
Blackberry	<i>Rubus laciniatus</i>	shrub	not listed	C	commercial ag lands, disturbed lands, forests, gardens, gravel bars, meadows, riparian areas, rights-of-way, uplands, wetlands	E&O, containment and removal from priority areas only	educators/student groups
Blackberry	<i>Rubus vestitus</i>	shrub	not listed	C	commercial ag lands, disturbed lands, forests, gardens, gravel bars, meadows, riparian areas, rights-of-way, uplands, wetlands	E&O, containment and removal from priority areas only	educators/student groups
Field bindweed	<i>Convolvulus arvensis</i>	vine	B	C	gardens, commercial ag lands, meadows	containment and removal from priority areas only	gardeners
English Ivy	<i>Hedera helix</i>	vine	B	C	forests, riparian areas, gardens, disturbed lands	containment and removal from priority areas only	gardeners, community groups, educators/students
Perennial peavine	<i>Lathyrus latifolius</i>	vine	B	C	rights-of-way, disturbed lands, gardens	E&O, containment and removal from priority areas only	gardeners
Puncturevine	<i>Tribulus terrestris</i>	vine	B	C	commercial ag lands, rights-of-way, disturbed lands	containment and removal from priority areas only	agriculture, recreationists, public land managers
